[RUSH] MESSAGE: The index shows 39 claims, claim set shows 83 + the NOA shows allowed claims 1-24. Please verify.

THANK YOU
OF

[XRUSH] RESPONSE: In the Appeal Brief (which I have flagged), Applicant canceled claims 25-35, 59-77 & 80-83. (Claims 78 & 79 had already been cancelled). After the Board's decision, Applicant agreed to cancel claims 51-58 by Examiner's Amendment as set forth in the Statement of Reasons for Allowability. 39 claims remain and are allowed (1-24 & 36-50). The Notice of Allowability erroneously says that only 1-24 are allowed, so I have printed a corrected Notice of Allowability. Please substitute this for the old Notice of Allowability.

INITIALS: NDK

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
